

SESHADRIPURAM COLLEGE TUMAKURU

No.3, Melekote, Veerasagara Layout, Gangasandra Road, Tumakuru-572105, Karnataka

International Conference on Knowledge Engineering and Information Systems

Organized by

Department of Master of Computer Applications

KEIS- 2025

29 & 30 August 2025

About KEIS- 2025

The International Conference on Knowledge Engineering and Information Systems (KEIS-2025) is a premier forum for sharing cutting-edge research, innovations, and challenges in Knowledge Engineering and Information Systems. It fosters interdisciplinary collaboration, networking, and professional development across academia and industry.

About The Institute

Seshadripuram College, Tumakuru, established in 2017, is an allied institution of Seshadripuram Educational Trust, Bangalore, and is affiliated to Tumakuru University. Located in a serene learning environment, the college offers UG programs (BCA, B.Com, BBA) and PG courses (MCA, MBA, M.Com). Backed by experienced faculty and guided by a visionary management, the college emphasizes academic excellence, skill development, and holistic growth of its students.

S. Sheshnarayana

Honorary Joint Secretary, Seshadripuram Educational Trust

W. D. Ashok

Chairman, Governing Council, Seshadripuram college, Tumakuru

General Chairs

Dr. C. Krishna Mohan

Indian Institute of Technology, Hyderabad.

Dr. Jagadeesha G. T

Principal, Seshadripuram College, Tumakuru.

Editorial Committee

Dr. Parameshachari B.D

Nitte Meenakshi Institute of Technology, Bangalore, India.

Dr. C Krishna Mohan

Indian Institute of Technology, Hyderabad, India.

Dr. Danilo Avola

Sapienza University of Rome, Italy.

Dr. Dae Ki Kong

Dongseo University, South Korea.

Dr. Manjula T

Seshadripuram College, Tumakuru.

Publication Chairs

Dr. Geetha V

National Institute of Technology, Surathkal, India.

Dr. Kusuma Kumari B.M

Tumkur University, India.

Organizing Chair

Dr. Manjula T

MCA Coordinator, Seshadripuram College, Tumakuru.

TRACKS

KNOWLEDGE ENGINEERING

- Knowledge Representation and Reasoning
- Ontologies and semantic modeling
- Rule-based systems
- Machine learning for knowledge extraction
- Automated reasoning and decision support
- Knowledge discovery and pattern recognition
- Natural language processing and semantic analysis
- Human-computer Interaction

INFORMATION SYSTEMS

- Big data processing and management
- Data warehousing and mining
- Business intelligence and decision support systems
- Artificial Intelligence in Information Systems
- Cognitive computing and intelligent systems
- Cloud, Edge, and Distributed Information Systems
- Enterprise resource planning (ERP) systems
- Cybersecurity in information systems
- Risk management and compliance frameworks

Publication

All the accepted and presented papers in the KEIS-2025 will be submitted for possible inclusion in ITM Web of Conferences.

IMPORTANT DATES

Submission Deadline	30 June 2025
Notification of Acceptance	20 July 2025
Registration Deadline	30 July 2025
Conference	29 & 30 August 2025

Paper Submission Link :
